Group Project: Peer Review with Feedback

Criteria

1. **Leadership**:
   How well did the group member fulfill the responsibility of <u>team leader</u> if assigned?
2. **Communication**:
   How well did the group member express ideas clearly and foster a productive group climate?
3. **Collaboration**:
   Was this group member able to respond to conflicts or disagreements in a constructive manner?
4. **Contribution**:
   How did their contributions impact the project's overall quality, timeline, or success? You may want to highlight a specific, significant contribution.
5. **Professionalism**:
   How consistently did team members attend project meetings?
   How timely was the team member in meeting project deadlines and/or benchmarks?
